UTS Quick Payment Program

Get Paid in 3 Business Days

To sign up, call Pam at (877) 352-4290

How Our Program Works

Turn your UTS receivables into cash fast with our Quick Payment Program. You get paid in three business days. Here's how the program works:

- Complete the **UTS Quick Payment Agreement**.
- Complete the **EFT Authorization Form**. (Must attach a VOIDED check.)
- Submit your invoice and supporting paperwork. (See instructions below.)
- Accept a 2% reduction of total invoiced charges. (Invoice UTS for the total amount. The reduction will be shown on the remittance.)

The **UTS commitment** is to have the payment in your account within three days. If we cannot quick pay your invoice, you will receive the **entire amount** of the invoice immediately upon completion of processing. You can check the status of all payments using your UTS online account.
